

NEWSLETTER

summer 2022

Welcome to our 4th newsletter of this summer with plenty of news for our women entrepreneurs community.

Once we completed our Piloting we started to celebrate our Multiplier Events in each country. Here you may find news on how each country's event went along with links to their LinkedIn profiles, allowing you to view each event in the partners' profiles.

4th & last Meeting in Malta

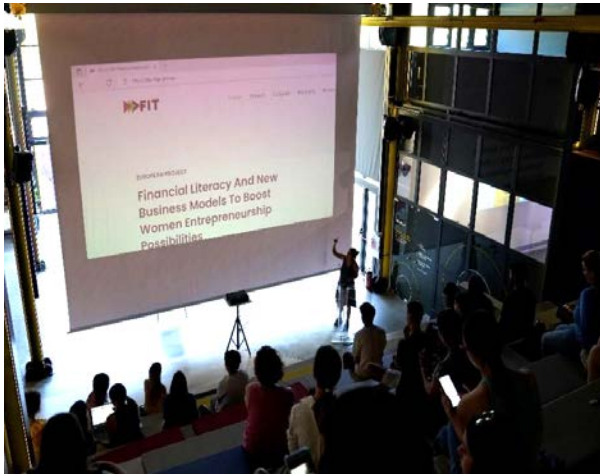

The 21 of July we had our last TPM in Qawra, Malta with the beautiful sunset leading us to the last stage of the Sustainable Plan of FIT Project where we will have more events and extensions of the program in different cities.

MULTIPLIER EVENTS

IED In Larissa, Greece

SMK in Vilnius, Lithuania

SKILLS ZONE in Marsa, Malta

MEET & MAP in Barcelona, Spain

VIVA FEMINA in Rzeszow, Poland

A NETWORK OF PARTICIPANTS & STAKEHOLDERS

All together we had more than **120 attendees** to our events that was very promising for our future.

Women's entrepreneurship and the circular economy are the key issues we will advocate for the future

We have created a national & an international LinkedIn Group to network with our participants and mentors.

Please stay connected to our social media to keep updated of future events: [Facebook](#) & [LinkedIn](#)
